## WEST LAFAYETTE PARKS BEGINS MASTER PLANNING PROCESS

### Parks To Partner With Purdue University Extension Program

**West Lafayette, Indiana, January 25, 2016**— The West Lafayette Parks & Recreation Department has begun the process of producing a 5 year master plan that will provide the West Lafayette Parks Department with a 5-10 year roadmap for improving facilities, services, and programs. This process includes gathering community data and community feedback.

To acquire that feedback, the public is invited to participate through the completion of a survey. This survey that will give us an idea of what's important to our citizens. We are interested to know what residents think about our programs and facilities. The public's opinion is valuable in this process, and we hope people will take this opportunity to share their thoughts. Your participation is voluntary, and all responses are anonymous.

Citizens may access the survey by personal computers at this hyperlink: <http://tiny.cc/wlparkssurvey> . Those that do not have access to a computer but would like to participate may receive a copy at the Morton Community Center, the Riverside Skating Center, the Lilly Nature Center, and the West Lafayette Parks & Recreation Service Center on Kalberer Road.

Purdue University Extension Educators are administering the survey and collecting and analyzing the feedback data for use in the Master Plan Update. For questions related to this feedback survey, please contact Kara Salazar ([salazark@purdue.edu](mailto:salazark@purdue.edu)) or Michael Wilcox ([wilcox16@purdue.edu](mailto:wilcox16@purdue.edu)), Purdue University Extension.

Those who would like more information about this topic, contact Janet Fawley, Parks Superintendent at 765-775-5110 or email at [parksmasterplan@wl.in.gov](mailto:parksmasterplan@wl.in.gov) .
